Explanatory Notes:

- 1. Entitlement to Appoint a Proxy:** As a member of the Company you are entitled to appoint a proxy to exercise all or any of your rights to attend, speak and vote at a general meeting of the Company. You can only appoint a proxy using the procedures set out in these notes.
- 2. Identity of Proxy:** A proxy does not need to be a member of the Company but must attend the meeting to represent you. To appoint as your proxy a person other than the Chairman of the meeting, insert his/her full name in the box. If you sign and return this proxy form with no name inserted in the box, the Chairman of the meeting will be deemed to be your proxy. Where you appoint as your proxy someone other than the Chairman, you are responsible for ensuring that they attend the meeting and are aware of your voting intentions. If you wish your proxy to make any comments on your behalf, you will need to appoint someone other than the Chairman and give them the relevant instructions directly.
- 3. Appointment of Proxy via CREST:** Crest members who wish to appoint a proxy or proxies through the CREST electronic proxy appointment service may do so by using the procedures described in the CREST Manual. In order for a proxy appointment or instruction made using CREST service to be valid, the appropriate CREST message, regardless of whether it constitutes the appointment of a proxy or an amendment to the instruction given to a previously appointed proxy, must be transmitted so as to be received by Capita Asset Services (ID RA 10) not less than 48 hours before the time fixed for the AGM (i.e. before 9am on 15 November 2015). Please refer to the notes of the notice of the meeting for further information on proxy appointments through CREST.
- 4. Attendance by member at meeting:** Submission of a proxy form does not preclude you from attending the meeting and voting in person. If you have appointed a proxy and attend the meeting in person, your proxy appointment will automatically be terminated.
- 5. Appointment of multiple proxies:** A member is entitled to appoint more than one proxy in relation to the meeting, provided that each proxy is appointed to exercise the rights attached to a different share or shares held by him. If you wish to appoint more than one proxy, please photocopy this form and insert in each form the number of shares in respect of which that proxy is appointed.
- 6. Directions on how to vote:** To direct your proxy how to vote on the resolutions, mark the appropriate box with an 'X'. To abstain from voting on a resolution, select the relevant "Vote withheld" box. A vote withheld is not a vote in law which means that the vote will not be counted in the calculation of votes for or against the resolution. If no voting indication is given, your proxy will vote or abstain from voting at his or her discretion. Your proxy will vote (or abstain from voting) as he or she thinks fit in relation to any other matter which is put before the meeting.
- 7. Joint Holders:** In the case of joint holders any one may sign this proxy form, but the vote of the senior who tenders a vote, whether in person or by proxy, shall be accepted to the exclusion of the votes of the other joint holders. Seniority is determined by the order in which the names stand in the Register of Members (the first-named being the most senior). In the case of a member which is a company, this proxy must be signed by two directors or given under the hand of an officer or attorney duly authorised.
- 8. Return of proxy to the Company:** To be valid this proxy together with any power of attorney or other authority (if any) under which it has been signed must be completed and signed and must be received by Capita Asset Services, PXS, The Registry, 34 Beckenham Road, Beckenham, Kent, BR3 4TU, not less than 48 hours before the time appointed for the meeting (i.e. before 9am on 15 November 2015).
- 9. Termination of Proxy's Authority:** You may terminate the authority of any person appointed to act as your proxy by sending written notice to Capita Asset Services, PXS, The Registry, 34 Beckenham Road, Beckenham, Kent, BR3 4TU, to that effect which must be received before the commencement of the meeting.
- 10. Submission of more than one valid proxy appointment:** If you submit more than one valid proxy appointment, the appointment received last before the latest time for the receipt of proxies will take precedence.

You should have received a proxy form with this notice of meeting. You can only appoint a proxy using the procedures set out in the notes to the proxy form.
2. To be effective, the proxy form, and any power of attorney or other authority under which it is executed (or a duly certified copy of any such power or authority), must be sent to Capita Asset Services, (PXS), The Registry, 34 Beckenham Road, Beckenham, Kent, BR3 4TU not less than 48 hours before the time for holding the meeting (i.e. before 9am on 15 November 2015), and if not so deposited shall be invalid.

Entitlement to attend and vote

3. Pursuant to Regulation 41 of the Uncertificated Securities Regulations 2001, only those members entered in the Company's register of members at:

Crest

4. CREST members who wish to appoint a proxy or proxies by utilising the CREST electronic proxy appointment service may do so for the Meeting and at any adjournment(s) thereof by utilising the procedures described in the CREST Manual. CREST Personal Members or other CREST sponsored members and those CREST members who have appointed a voting service provider(s) should refer to their CREST sponsor or voting service provider(s) who will be able to take the appropriate action on their behalf.

In order for a proxy appointment made by means of CREST to be valid, the appropriate CREST message (a "CREST Proxy Instruction") must be properly authenticated in accordance with EuroClear UK & Ireland Limited's ("EUI") specifications and must contain the information required for such instructions, as described in the CREST Manual. The message must be transmitted so as to be received by the Issuer's Agent ("ID RA10") not less than 48 hours before the time fixed for the AGM (i.e. before 9am on 15 November 2015). For the purpose, the time of receipt will be taken to be the time (as determined by the timestamp applied to the message by the CREST Applications Host) from which the issuer's agent is able to retrieve the message by enquiry to CREST in the manner prescribed by CREST.

CREST Members and, where applicable, their CREST sponsors or voting service provider(s) should note that EUI does not make available special procedures in CREST for any particular messages. Normal system timings and limitations will therefore apply in relation to the input of CREST Proxy Instructions. It is the responsibility of the CREST member concerned to take (or, if the CREST member is a Crest personal member or sponsored member or has appointed a voting service provider(s)), to procure that his CREST sponsor or voting service provider(s) take(s) such action as shall be necessary to ensure that a message is transmitted by means of the CREST system by any particular time. In this regard, CREST members and, where applicable, their CREST sponsors or voting service providers are referred, in particular, to those sections of the CREST Manual concerning practical limitations of the CREST system and timings.

The company may treat as invalid, a CREST Proxy Instruction in the circumstances set out in Regulation 35(5)(a) of the Uncertificated Securities Regulations 2001.

EXPLANATORY NOTES TO THE NOTICE OF ANNUAL GENERAL MEETING

Resolution 12 — Allotment Authority

12. Resolution 12 authorises the directors generally and unconditionally, in accordance with section 551 of the Companies Act 2006 (the “Act”), to allot unissued shares in the capital of the Company during the period expiring (unless sooner revoked or renewed by the Company in general meeting) on the earlier of 31 December 2016 and the conclusion of the next Annual General Meeting of the Company, up to a maximum aggregate nominal value of £89,441.94 being equal to one third of the issued ordinary share capital of the Company at the date of the Notice of AGM.

This resolution complies with the guidelines issued by the IMA.

Resolution 13 – Allotment authority pursuant to a Rights Issue

13. Resolution 13 authorises the directors generally and unconditionally, to issue and allot ordinary shares (up to a maximum nominal amount of £89,441.94) to the existing shareholders of the Company pro rata to their holdings. This is known as a rights issue. Such authority would expire (unless sooner revoked or varied by the Company in general meeting) on the earlier of 31 December 2016 or, at the conclusion of the Company’s annual general meeting to be held in 2016.

This resolution has been introduced to and complies with the guidelines issued by the IMA.

Resolution 14 — Disapplication of Pre-emption Rights

14. Resolution 14 disapplies the provisions of section 561(1) of the Act. Under that section, if the directors wish to allot any of the unissued shares for cash, they must in the first instance offer them to existing shareholders in proportion to the number of shares they each hold at that time. An offer of this type is called a “rights issue” and the entitlement to be offered a new share is known as a “pre-emption right”. The provisions of section 561 of the Act set out how the new shares should be offered to existing shareholders and are quite cumbersome. Part (a) of the resolution therefore dispenses with the need for the Company to go through these procedures when it wishes to offer shares to existing shareholders.

There may be circumstances, however, where it is in the interests of the Company for the directors to allot some of the new shares or sell treasury shares for cash other than by way of a rights issue. This cannot be done under the Act unless the shareholders first waive their pre-emption rights. Resolution 14 asks shareholders to do this, but only in relation to new shares or existing shares out of treasury equal to up to 10 per cent of the Company’s issued ordinary share capital at the date of the Notice of the Annual General Meeting.

The directors will be able to use this power without obtaining further authority from shareholders before they allot new shares/options or sell treasury shares covered by it. However, by setting the limit of 10 per cent, the interests of existing shareholders are protected as their proportionate interest in the Company cannot, without their agreement, be reduced by more than 10 per cent by the issue of new shares for cash to new shareholders. If the directors wish, other than by rights issue, to allot for cash new shares which would exceed this limit, they would first have to ask the Company’s shareholders to waive their pre-emption rights in respect of that proportion of new shares which exceeds the 10 per cent ceiling.

There are legal, regulatory and practical reasons why it may not always be possible to issue new shares under a rights issue to some shareholders, particularly those resident overseas. To cater for this, Resolution 14, in authorising the directors to allot new shares by way of a right issue, also permits the directors to make appropriate exclusions or arrangements to deal with such difficulties.

The power given by Resolution 14 will, unless sooner revoked or renewed by the Company in general meeting, last until 31 December 2016 or the conclusion of next year’s Annual General Meeting, whichever occurs first.

This resolution complies with the Pre Emption Group Statement of Principles.

Resolution 15 – Purchase of own shares

15. Resolution 15 authorises the Company to buy back up to 5% of its own issued shares from shareholders in accordance with the Act provided that:

- (a) the minimum price payable for such shares is equal to or greater than 1 pence;
- (b) the maximum price payable for such shares is equal to or less than an amount equal to 105 per cent of the average of the middle market quotations of an ordinary share of the Company taken from the AIM supplement of the London Stock Exchange Daily Official List for the five business days immediately preceding the day on which the share is contracted to be purchased;
- (c) the share buy back is concluded or the Company has entered into contracts to buy back the shares on or before 31 December 2016, or if earlier, at the conclusion of the next Annual General Meeting of the Company to be held in 2016.

This resolution has been introduced to and complies with the guidelines issued by the IMA.

21 October 2015

Dear Shareholder

The company would like to offer you the opportunity, if you so wish, to elect to receive dividends from the Company in US Dollars. Dividends will be declared and paid in sterling unless a valid election is received or has already been received for US Dollars. If no valid election is received you will continue to receive your dividend payments in sterling. If you already have a valid election for US Dollars in place, this will remain in place unless you contact Capita Asset Services to cancel it.

As you hold your ordinary shares in uncertificated form in CREST, you may elect to receive your dividends in US Dollars by means of the CREST procedures to effect such an election referred to below. If you are a CREST Personal Member, or other CREST Sponsored Member, you should consult your CREST sponsor, who will be able to take the appropriate action on your behalf. **Capita Asset Services will not accept a paper election for shareholders in CREST.**

The CREST procedures require the use of the Dividend Election Input Message in accordance with the CREST manual. The message includes the following fields which, for a valid election to be made, must be correctly input as indicated below and submitted in order for it to be received no later than the dividend record date for which it is to apply (in the present case, 20 November 2015).

- (i) Dividend Election Reference - you must indicate here a reference for the dividend election which is unique to your CREST participant ID;
- (ii) Account ID - If you have more than one member account, you must indicate the member account I.D. to which the election relates: the relevant account must be enabled (i) at the time your Dividend Election Input Message is entered into CREST, and (ii) on the relevant dividend payment date;
- (iii) ISIN - This is GB00B2425G68;
- (iv) Evergreen - This field must be entered with the flag set to yes. This requests the Company to apply your election to the current dividend and to all future dividends in respect of your entire shareholding in CREST at each relevant record date until (i) you delete your Dividend Election Input Message and that deletion is accepted in accordance with the CREST procedures on behalf of the Company, (ii) you transfer your shareholding in CREST or convert it into certificated form, or (iii) the facility is withdrawn by the directors;
- (v) Corporate Action Number - This is not to be input;
- (vi) Distribution type - You must enter "currency" here;
- (vii) Currency code - This is USD.
- (viii) Number of shares - Partial elections are not permitted. If this field is completed the message will be rejected;
- (ix) Contact details - this field is optional, although you are asked to include details of whom to contact in the event of a query relating to your election.

A valid election made by means of Dividend Election Input Message will, to the extent it relates to shares held in uncertificated form at any given record date, supersede all previous written elections made in respect of holdings in the same member account.

You may only revoke an election which has been made by a Dividend Election Input Message by utilising the CREST procedures for deletions described in the CREST Manual. The deletion will be valid in relation to the then current dividend only if the deletion is accepted, in accordance with the CREST procedures, by or on behalf of the Company prior to the relevant record date. It is recommended that you input any deletion message 48 hours in advance of this deadline to give the Company or its agent sufficient time to accept the deletion. There is no facility to amend an election which has been made by Dividend Election Input Message. If you wish to change your election details, you must first delete the existing election as described above and then input a Dividend Election Input Message with the required new details. Any attempts to send a new Dividend Election Input Message, where an existing Dividend Election Input Message is present and has not been deleted, will be rejected.

Yours faithfully,

Craig Preston
