About Craneware

Founded in 1999, Craneware has headquarters in Edinburgh, Scotland with offices in Atlanta, Arizona, Massachusetts and Tennessee employing over 200 staff. Craneware is the leader in automated revenue integrity solutions that improve financial performance and mitigate risk for healthcare organisations. Craneware's market-driven, SaaS solutions help hospitals and other healthcare providers more effectively price, charge and code for services and supplies associated with patient care. These optimise reimbursement, increase operational efficiency and minimise compliance risk. By partnering with Craneware, clients achieve the visibility required to identify, address and prevent revenue leakage. To learn more, visit craneware.com and stoptheleakage.com
