About Craneware

Founded in 1999, Craneware has headquarters in Edinburgh, Scotland with offices in Atlanta, Arizona, Massachusetts and Tennessee employing over 220 staff. Craneware is the leader in automated revenue integrity solutions that improve financial performance for healthcare organisations. Craneware’s market-driven, SaaS solutions help hospitals and other healthcare providers more effectively price, charge, code and retain earned revenue for patient care services and supplies. This optimises reimbursement, increases operational efficiency and minimises compliance risk. By partnering with Craneware, clients achieve the visibility required to identify, address and prevent revenue leakage. To learn more, visit craneware.com and stoptheleakage.com
